

Patch Disease Research Sample Submission Form

Submitter's Name: _____

Address: _____

Date Submitted: _____

Sampling Instructions:

- 1) Take a 4-inch diameter sample (ie cup cutter sized) near the edge of the affected area, including approximately 4 inches of rootzone material as well
- 2) Wrap sample in aluminum foil, place in box with other materials (ie newspaper, packing peanuts, etc) to prevent sample movement in transit
- 3) Include this form in the box and promptly mail to the Turfgrass Diagnostic Lab at:

Turfgrass Diagnostic Lab
2502 Highway M
Verona, WI 53593

Thank you for your assistance in this important research project. Please call (608-576-2673) or email (plkoch@wisc.edu) with any questions, concerns, or comments you may have.
